Curriculum Vitae

Education

- 2013 • PhD in Mathematics Sciences (by homology), University of Havana, 2013, Cuba.
- 2006-2011 • PhD by University of Alicante, PhD Program “Technologies for Information Society”, Department of Information Technology and Computing, University of Alicante, 2011, Spain. Thesis: “Modelo para la Difusión Proactiva de Información en Sistemas Distribuidos basado en Enfoques Epidemiológicos. Aplicación a los Sistemas de Gestión de Red”
- 2006-2009 • Diploma de Advanced Studies, PhD Program “Technologies for Information Society”, Department of Information Technology and Computing, University of Alicante, 2009, Spain.
- 2003-2004 • Professor in Computer Science, Instituto Superior Tecnológico “José Antonio Echevarría”, 2004, Cuba.
- 1999 - 2004 • Licenciado (5-years B.Sc.(Hons) + thesis) in Computer Science, Universidad de La Habana, 2004, Cuba. Thesis: “Plataforma para el establecimiento y desarrollo de conferencias multimedia”

Other academic studies

- 2004 - 2007 • I,II, III and IV International Summer School in Economics and Management, Humboldt Universität zu Berlin - University of Havana.

Working experience

- 2016 - • Co-Founder and Data Editor of Postdata.club.
- 2015 - • Editor of OnCuba Real Estate Magazine.
- 2014 - • Co-Founder and Director of Isladata.
- 2014 - 2016 • Vice Dean of Research and Postgraduate Studies at School of Mathematics and Computer Science, University of Havana.
- 2013 - • Professor at the Department of Artificial Intelligence and Computational Systems, School of Mathematics and Computer Science, University of Havana.
- 2010 - 2014 • Head of the Department of Artificial Intelligence and Computational Systems, School of Mathematics and Computer Science, University of Havana.
- 2008 - • Director of the Research Group on Artificial Intelligence, School of Mathematics and Computer Science, University of Havana.

Working experience (continued)

- 2005 - 2009 • Coordinator of the Linux and Free Software User's Group at University of Havana and Member of Cuba's National Group on Free Software.
- 2004 - 2013 • Instructor Professor in the department of Computer Science, School of Mathematics and Computer Science, University of Havana, Cuba.

Academic responsibilities

- 2014 - • Member of the Scientific Council of School of Mathematics and Computer Science, University of Havana.
- 2014 - • Member of the experts group of the PhD on Mathematics Sciences, School of Mathematics and Computer Science, University of Havana.
- 2013 - • Member of the faculty and the academic committee of the PhD on Bioinformatics, University of Havana.
- 2011 - • Member of the faculty and the academic committee of the Master on Computer Science, School of Mathematics and Computer Science, University of Havana.
- 2007 - • Member of National Commission of Major in Computer Science, Cuba.
- 2004 - • Member of the theses examination committee in the School of Mathematics and Computer Science, University of Havana, Cuba.

Research experience

- 2014 - • Coordinator of the Research Project "Analysis of Information in Twitter".
- 2014 - • Coordinator of the Research Project "Low cost Robotics".
- 2009 - 2012 • Associated with the Networks and Middleware Research Grupo (GrupoM), Department of Informatics Technologies and Computation, University of Alicante, Spain.
- 2004 - • Associated with the Artificial Intelligence Research Group since 2004, Department of Computer Science, University of Havana, Cuba. Since 2008 is the Director of the Artificial Intelligence Research Group.
- 1999 - • Associated with the Computer Networks and Distributed Systems Research Group since 1999, Department of Computer Science, University of Havana, Cuba.

Teaching experience

- 2016 -
- Professor, Department of Artificial Intelligence and Computational Systems, School of Mathematics and Computer Sciences, University of Havana .
 - *Simulation* in the School of Mathematics and Computer Science, Main Professor (Bachelor Degree).
 - *Logic* in the School of Mathematics an Computer Science, Main Professor (Bachelor Degree).
 - *Distributed Systems* in the School of Mathematics and Computer Science, Main Professor (Bachelor Degree).
 - *Social Networks Analysis* in the School of Mathematics and Computer Science (Master Degree).
 - *Introduction to Data Journalism* in the School of Communication and Journalism (Bachelor Degree).
- 2013 - 2016
- Professor, Department of Artificial Intelligence and Computational Systems, School of Mathematics and Computer Sciences, University of Havana .
 - *Simulation* in the School of Mathematics and Computer Science, Main Professor (Bachelor Degree).
 - *Logic* in the School of Mathematics an Computer Science, Main Professor (Bachelor Degree).
 - *Distributed Systems* in the School of Mathematics and Computer Science, Main Professor (Bachelor Degree).
 - *Social Networks Analysis* in the School of Mathematics and Computer Science (Master Degree).
- 2007 - 2013
- Instructor Professor, Department of Artificial Intelligence and Computational Systems, School of Mathematics and Computer Sciences, University of Havana .
 - *Simulation* in the School of Mathematics and Computer Science, Main Professor (Bachelor Degree).
 - *Logic* in the School of Mathematics an Computer Science, Main Professor (Bachelor Degree).
 - *Distributed Systems* in the School of Mathematics and Computer Science, Main Professor (Bachelor Degree).
 - *Computer Networks* in the School of Mathematics and Computer Science (Bachelor Degree).
- 2005 - 2007
- Instructor Professor, Department of Computer Science, School of Mathematics and Computer Sciences, University of Havana .
 - *Simulation* in the School of Mathematics and Computer Science, Main Professor (Bachelor Degree).
 - *Logic* in the School of Mathematics an Computer Science (Bachelor Degree).
 - *Computer Networks* in the School of Mathematics and Computer Science (Bachelor Degree).
- 2004 - 2005
- Instructor Professor, Department of Computer Science, School of Mathematics and Computer Sciences, University of Havana .
 - *Computer Networks* in the School of Mathematics and Computer Science (Bachelor Degree).
 - *Simulation* in the School of Mathematics and Computer Science (Bachelor Degree).

Teaching experience (continued)

- 2002 - 2004
- Student Assistant, School of Mathematics and Computer Science, University of Havana.
 - Operating Sytems I* in the School of Mathematics and Computer Science (Bachelor Degree).
 - Introduction to Linux* in a postgraduate course in the School of Biology (Bachelor Degree).
 - Programming in Pascal* in the School of Biology (Bachelor Degree).
